

## **Dear Parents,**

Will your child be visiting or joining the Grundschule soon? The children will be very proud of this, and you will want to do your best to help them have a fantastic start and enjoy studying.

Kindergarten will be preparing your children for school, talking about it, practicing a few letters, listening to stories but also get to know the other children better. For the parents, there will be “Parents Workshops” in Trier-Süd this year.

During these workshops you talk about what you can do to support your child while at school. You may choose to learn how to pack the school bag together, find out more how to do homeworks, how to interact with the school or again how to practice reading with your child.

These workshops are free of charge and you have the possibility to choose which of the workshop matters to you. There is no need to register in advance

**The first time we meet is May 28th 2019 from 8.45 to 10.30 in Grundschule Matthias.**
